This matter is before the court on plaintiff's motion for attorneys' fees, Filing No. 186. The motion is unopposed. A successful plaintiff is entitled to its reasonable fees and costs under 47 U.S.C. § 553(c)(2)(C). In its earlier order, this court entered judgment on the merits and awarded fees and costs in an amount to be later determined. Filing No. 185. Plaintiff has shown by affidavit that it incurred attorneys' fees and costs in the amount of \$14,903.04. The court has reviewed counsel's submissions and finds that counsel's hours and rates are fair and reasonable. The court further finds plaintiff is entitled to recovery of its court costs. Plaintiff moves the court to apportion the fee award between the corporate defendant and the five individual defendants in equal shares. Accordingly,
